4 Match the texts and the pictures.

- November 5th is Guy Fawkes Day (or Bonfire Night) in Britain. People make bonfires and light fireworks. In 1605 Guy Fawkes and his friends tried to blow up the Houses of Parliament with gunpowder. ☐
- February 14th – St. Valentine's Day – is the day for lovers. Send a Valentine card to your friend, but don't write your name in it! ☐
- Halloween is on October 31st. In the evening children dress up as ghosts, witches or skeletons. They go to houses and say: 'Trick or treat!' ☐
- Hogmanay is on December 31st (New Year's Eve) in Scotland. People have parties or dance in the street. They sing 'Auld Lang Syne'. ☐

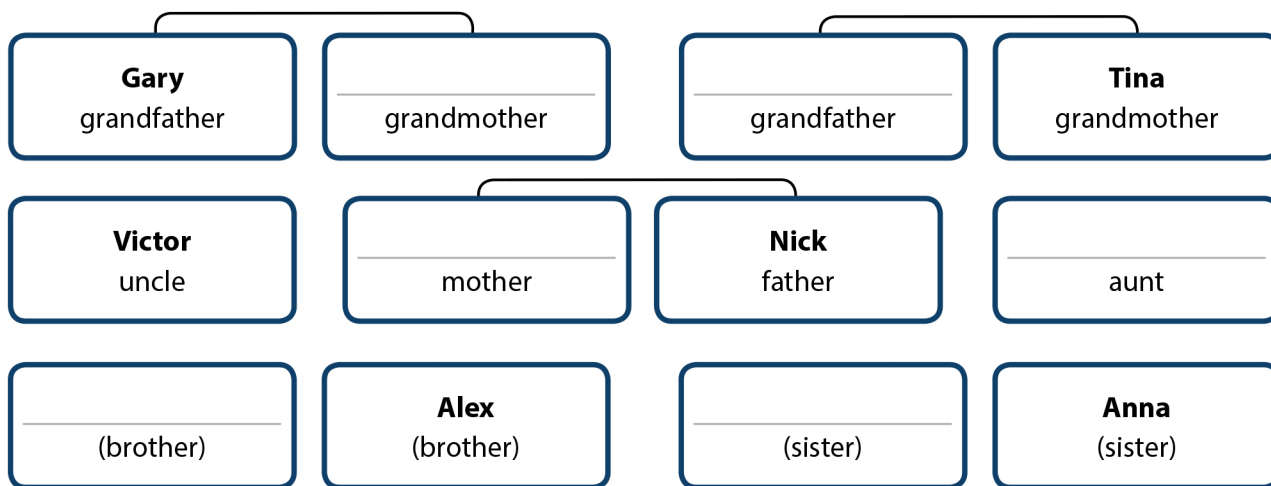

5 Information gap: A family tree

STUDENT A: Look at this page. **STUDENT B:** Look at page 102.

Ask and answer.

A: What's the father's name?

B: Nick. What's the...s name?

6 Having an injection. Listen and fill in the table.

	NAME	DATE OF BIRTH
1		
2		
3		

7 Invent some more verses for the song 'He's got the whole world'.

He's got the whole world in his hand (4x).

He's got _____,

In his hand

He's got _____,

In his hand

He's got _____,

In his hand

He's got the whole world in his hand.

He's got the whole world in his hand (4x).

He's got _____,

In his hand

He's got _____,

In his hand

He's got _____,

In his hand

He's got the whole world in his hand.

8 Pronunciation. Find the rhyming words.

_____	_____
_____	_____
_____	_____
_____	_____

chair ear eight
grey here hi key
know me my
night no you say
see tea there too
wait white

	detective series		thriller

5

Invent new verses for the song 'Lunch and Dinner Rock & Roll' Then sing it.

Lunch Rock and Roll (4x)

Lunch Rock and Roll

Lunch Rock and Roll

Dinner Rock and Roll (4x)

Dinner Rock and Roll

Dinner Rock and Roll

6

Read this text then answer the questions in Hungarian. (You can use a dictionary.)

School life for a 15-year-old British boy

My school is a mixed 11-18 school. There are about 1,150 students. It is called Technology College and specialises in Computers and Maths. My school has over 1200 computers (including over 400 tablet PCs). I am in Year 9. Some subjects are compulsory like Maths, English, Science and a foreign language. I am not sure what other GCSEs I will be taking. I will have to decide soon.

I leave home at 6:45 and walk 20 minutes to catch a bus to school. The bus is a special one just for kids going to my school. The journey on the bus takes an hour because it has to keep stopping to pick up other students along the way. When I arrive at school, I collect my Tablet PC from the Flexi (Flexible Learning Centre). Then I go to my Tutor Room for registration at 8:30. We listen to announcements to see what special things are happening at school today or this week.

At about 8:50 we leave Tutor Room to go to our First Period. Every day I have a different lesson the first period. Normally it is Humanities (History, Geography, and Religion) but I also have Maths, Drama and Music, and French on the other days. Each period lasts an hour. We don't use our Tablet PCs in all lessons because some rooms do not have enough power sockets. We use the Tablets to do our work on and to search the Internet. Our Tablet PCs are connected to a network so we can send our work straight to our teachers, and they can send them back with their comments. Every student carries a swipe card. We swipe into every lesson to let the school know that we have attended that certain lesson and to know where we are in case of emergencies. We can put money on our Swipe cards instead of carrying cash around.

When we want to pay for snacks at the Tuck Shop or canteen we just hand over our cards and they deduct the money. During the break, I have a snack and play and chat with my friends. (Snowball fight when it snows is dead fun!) I bring a packed lunch to school but occasionally I have school dinners in the School Canteen. Sometimes I stay after school for clubs.

Daniel Thorpe

- 1 Kik járnak a Technology College-ba? _____
- 2 Melyek a kötelező tantárgyak? _____
- 3 Ezeken kívül mit tanul még Daniel? _____
- 4 Mivel indul a napja az iskolában? _____
- 5 Mivel tölti a szüneteket? _____
- 6 Hogyan oldja meg az étkezést? _____
- 7 Mire használják a táblaszámítógépet a diákok? _____
- 8 Mire való a 'Swipe card'? _____
